

Willard M. McRae Community Diversity Award

Willard M. McRae

The Willard M. McRae Community Diversity Award is presented annually to honor an individual who has made an outstanding and ongoing contribution to the cause of promoting and celebrating diversity, equity, and inclusion in the communities served by Liberty Bank. It is named in honor of the late Willard McRae, past chairman of the Liberty Bank Board of Directors and a founding member of the Liberty Bank Foundation Board of Directors. A lifelong Middletown resident who passed away in early 2016, Mr. McRae was known for his extraordinary commitment to equal access and opportunities for all, regardless of economic status, race, background, disability, or other factors. His contributions to children's mental health, education, and human services made a positive difference in the lives of thousands of people.

Through involvement with a community service organization, the individual selected to receive the Community Diversity Award will have enhanced the quality of life by raising awareness that diversity is a source of strength in our communities. He/she will be a leader in building positive relationships between different people — relationships in which they view their differences as assets, not liabilities.

Criteria by which award nominees will be evaluated include:

- Exemplary contribution to and depth of involvement in one or more community organizations.
- Extraordinary participation over an extended period of time in community activities that promote and celebrate diversity.
- Demonstrated leadership in enhancing the quality of life.
- Significant impact on the building of positive relationships between different people—whether their differences be of race, ethnic background, disability, religion, gender, culture, national origin, economic status, or any other aspect of diversity.

Eligibility Requirements:

- Nominees must be individuals who either live in the area served by Liberty Bank or conduct their community service activities within the area. That area is defined as all of Middlesex and New Haven Counties, plus the towns of Andover, Berlin, Bloomfield, Bozrah, Bristol, Colchester, Columbia, Coventry, East Hartford, East Lyme, Franklin, Glastonbury, Groton, Hartford, Hebron, Lebanon, Lyme, Manchester, Mansfield, Marlborough, Montville, New Britain, New London, Newington, Norwich, Old Lyme, Plainville, Rocky Hill, Salem, Shelton, Southington, Sprague, Stonington, Waterford, West Hartford, Wethersfield, Windham, and Windsor. Nominees must be 18 years of age or over.
- Persons previously nominated for the award may be nominated again, but a new nomination form must be submitted. Previous winners of the award may not be nominated again.
- Posthumous nominations will not be accepted.

Selection Process:

Nominations for the award are solicited from the communities served by Liberty Bank each year. A committee consisting of Liberty Bank officers and leaders from the communities served by the bank will review them, and may conduct interviews of nominees selected as finalists before determining the award winner.

Award:

The recipient of the Willard M. McRae Community Diversity Award may direct a \$5,000 donation from the Liberty Bank Foundation to the non-profit organization of his/her choice. The non-profit must be certified by the Internal Revenue Service as a charitable organization under IRS rule 501(c)(3).

How to Make a Nomination:

The nomination period is announced each year online and in newspapers serving Liberty Bank's market area. Nomination forms can be downloaded from websites of Liberty Bank (www.liberty-bank.com) or the Liberty Bank Foundation (www.libertybankfoundation.org) during the nomination period.
